D) BACKGROUND & EXPERIENCES

About AMFI

AMFI specializes in managing international training programs, promoting non-formal education through major European initiatives. We believe in the richness of cultural diversity within the EU and foster international mobility to encourage intercultural dialogue and mutual understanding.

Our Experience

With 16+ years of expertise as an Intermediary and Hosting Organization, AMFI has participated in key European Programs like Erasmus+, LLP, and Youth in Action. We have 1000+ LOCAL PARTNERSHIPS of any kind, which allow us to cover ANY EDUCATION & VOCATIONAL FIELD.

Our Goal

Participants leave enriched as EU citizens and skilled professionals, ready to face the challenges of a globalized world.

- INTERNSHIPS,
- JOB SHADOWING,
- TEACHING ASSIGNMENTS,
- KA1 TRAINING COURSES,
- SCHOOL EXCHANGE PROGRAMS,
- AND MORE!

Meet our team

Fabrizio RANIERI

CEO

Graduated in Administrative Political Science at Sapienza University in Rome.

He has several years of experience in the management of European projects, such as Leonardo da Vinci, Erasmus, Youth in Action, programs that require a high-level knowledge of European policies. He has expertise in national and community planning, in particular regarding training programs and youth employment. He has an extensive experience in organizing training courses and internships in institutions and companies in Italy and abroad as well as over ten-years of expertise in the establishment of partnerships at national and European level.

Giovanni TATARELLI

CEO,
Administration &
Head of Logistics

He got an Economics degree from the University of Bologna. He has experience in the accounting management of European projects, in particular projects in Leonardo da Vinci and Erasmus +. He has management skills of human and financial resources in the European context. He has been involved in the creation of several European projects and knows perfectly about the accounting procedures for Italian and European projects. He possesses high skills in communication and in the use of the media for sharing and dissemination of project results.

Paola PANFILI

Project Manager

Graduated in International Affairs at John Cabot University in Rome. She has an EIPA (European Institute for Public Administration) accreditation in Project Cycle Management - EU Project Management. Within AMFI she takes care not only of EU PCM within the Erasmus+ program, but she also coordinates the communications and marketing department for AMFI and for the network to which AMFI belongs: Erasmusnet. She also manages the Youth department, including Youth projects and EVS.

She has a Degree in Languages for Business and International Cooperation. A Master in Project Management. She has over 6 years experience in human resource management of EU projects, such as Leonardo da Vinci and Erasmus +. She has been working for years in the management of European projects as AMFI tutor and translator (English, Spanish and French). She has high language skills for proper communication with partners, for the execution of administrative and / or accounting operations, to understand and correctly interpret all the necessary documentation for the implementation of specific activities. She has experience in providing assistance and support to incoming foreign flows. She has been working with several European programs, in various professional fields (organic farming, sustainable engineering, social activities, mechanical engineering, restaurants and hotel business). In addition, she is involved in the selection and recruitment of participants in the framework of EU projects managed by AMFI.

Cristina NUCCI
Incoming
Coordinator

Angelo SERCHIA
Project
Management
Assistant

In the company, he takes care of organizing any practical matters concerning the mobilities. He has the first contact with participants through an online pre-departure meeting. He takes care of the Welcome Meeting with participants on the first day after arrival. He will also guide the participants during their meeting with the internship company. At the end of the mobility he will organize a Final Meeting and hand over all the necessary documentations for the project.

Graduated in Applied Linguistics in Foreign Languages with a focus on multilingual communication for businesses. She has knowledge of English, Italian, French and Dutch. Within AMFI she helps with the project implementation, assists the Project Manager and the Incoming Coordinator's office, giving support also for cultural inclusion. She also takes care of the Cultural Visits in which she shows the Erasmus+ participants around in the region.

Sarah HEYMANS
Project
Management
Assistant &
Cultural Support

Utku ATEŞ
Logistics &
Housing Manager

With 2 years of experience in the marketing field and pursuing a Master's degree in Entrepreneurship and Innovation, where he specialized in courses such as Relational Marketing and Advanced Marketing, SEO in Web Design. He is in charge of our housing and coordinates arrivals and departures.
